STATEMENT OF OBJECTS AND REASONS

As per the long title of the Rajiv Gandhi Proudtyogiki Vishwavidyalaya Adhiniyam, 1998 (No. 13 of 1998), the Rajiv Gandhi Proudtyogiki Vishwavidyalaya, Bhopal has been established for the purpose of ensuring systematic, efficient and qualitative education in engineering and technological subjects including architecture and Pharmacy at Degree and Diploma level, but the subjects like Hotel Management and Catering Technology, Travel and Tourism under hospitality sector, which are covered in the definition of programmes under technical education given by All India Council for Technical Education, are not included in the purposes of Rajiv Gandhi Proudtyogiki Vishwavidyalaya.

2. The State Government wishes to offer Diploma courses under hospitality sector in Government Polytechnics and for which it has received Assistance from Central Government, and therefore, there is need to affiliate these courses to Rajiv Gandhi Proudtyogiki Vishwavidyalaya.

3. Looking to the future possibilities, it is decided that the jurisdiction and scope of Rajiv Gandhi Proudtyogiki Vishwavidyalaya should be extended, so as to include all the courses which comes under the purview of All India Council for Technical Education, therefore, suitable amendments are proposed in the long title and Section 6 of the principal Act.
