### STATEMENT OF OBJECTS AND REASONS

There is a lack of Central Taxes in the State during the financial year 2019-20. Many of the States are facing the financial difficulties. In the perspective of difficult financial scenario and on request of the states, the Government of India has permitted once to grant an additional loan equivalent to Rs. 58,843.00 Crores to the States. This limit for the state of Madhya Pradesh is Rs. 4,443.00 Crores. To receive this additional loan the Madhya Pradesh Rajkoshiya Uttardayitva Avam Budget Prabandhan Adhiniyam, 2005 has been amended by the Madhya Pradesh Finance Ordinance, 2020 (No. 1 of 2020).

2. In the perspective of COVID-19 pandemic, the Government of India has decided to extend the facility of loan to the State Governments of 0.5 percent without condition and 1.5 percent with a condition for additional loan. To receive this additional loan it is mandatory to amend the Madhya Pradesh Rajkoshiya Uttardayitva Avam Budget Prabandhan Adhiniyam, 2005. This additional loan may be received only in the financial year 2020-21.

3. Therefore, it is proposed to add sub-sections (4) and (5) after sub-section (3) of Section 9 of the Madhya Pradesh Rajkoshiya Uttardayitva Avam Budget Prabandhan Adhiniyam, 2005.

4. Amendments are also proposed to make the following amendments in Schedule I-A in the Indian Stamp Act, 1899 (II of 1899) in its application to the State of Madhya Pradesh.

5. Previously in the Schedule I-A of the Indian Stamp Act, 1899 there is a provision of 0.25 percent of the amount or value secured by such deed, subject to a maximum of rupees twenty five thousand. For prevention of the situation of doubt in the secured amount of the deed and for the rationalisation of rate of fee by the ordinance dated 28-3-2020 for evaluation of the basis of secured amount stamp fee from 0.25 percent has been amended to 0.1 percent of the contractual value and in case of contracts of less than 50 lakhs, the provision of amount of Rs. 500/- is made for general agreement.

6. Previously on the mining lease of major mineral and minor mineral the stamp fee was being charged at the rate of 0.75 percent. which was enhanced for generating the revenue of the state by the Ordinance dated 28-3-2020 it has been increased to 2 percent in case of major mineral and 1.25 percent in case of minor mineral.

7. The matter was urgent and in the Legislative Assembly was not in session, therefore, the Madhya Pradesh Finance Ordinance, 2020 (No. 1 of 2020) was promulgated for the said purpose. It is now proposed to replace the said Ordinance by an Act of State Legislature with modification in Section 9 of the Madhya Pradesh Rajkoshiya Uttardayitva Avam Budget Prabandhan Adhiniyam, 2005 (No.18 of 2005) so as to make provision for taking and an additional loan for financial year ending 31st March 2021.
