ORDINANCE NO.- 101 of 2019

THE ORDINANCE FOR ADMISSION OF INTERNATIONAL STUDENTS

101.1- INTERNATIONAL AFFAIRS

Shri Krishna University in compliance after the approval of the competent authority agreed in principle to open admissions to International Students. The intake of International Students shall start from the coming Academic Session 2019-2020. The University has created a separate entity to look after the matters related to admissions of International Students in terms of procedure, process, admission, and related administration. This new entity of the University is INTERNATIONAL AFFAIRS headed by Director. The University has planned to provide accommodation to all the International Students.

- 101.1.1- Applicants seeking admission to such programmes are advised to send their applications on the prescribed form along with duplicate Photostat copies of the transcripts to The Director, International Affairs, administrative Building, Shri Krishna University.
- 101.1.2- The admission of International Students to Medical/Biotechnology and Engineering programmes is privilege of the Ministry of External Affairs, Government of India, New Delhi. A number of seats in these programmes are reserved for the International Students of various countries. International students desirous of joining these professional programmes should contact the nearest Indian Embassy for necessary information.

101.2- INTERNATIONAL STUDENTS

Under UGC Guidelines, 'International Students' will include the following:

- 101.2.1- Foreign students: Students holding passports issued by any foreign country including people of Indian origin who have acquired the nationality of foreign countries.
- 101.2.2- Non Resident Indians (NRI): Only those Non Resident Indian students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as International students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to the Boards of Secondary Education or Universities located in India, but will not include students studying in those schools or colleges (situated in India) which are affiliated to the Boards of Secondary Education or Universities of the foreign countries. The students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependents of NRIs studying in India will not be included as International Students. Entry level status of International Students on entry to the country will be maintained.

101.3- DOCUMENTS REQUIRED FOR ADMISSION OF INTERNATIONAL STUDENTS:

101.3.1- Visa: All the International Students will require a student Visa endorsed to this University for joining full time courses. No other endorsement is acceptable. Students wishing to join a research programme will require a Research Visa endorsed to this University. The Visa should be valid for the prescribed duration of the course. A visa is not required for NRI students. Students who are doing full time courses, in some other institutions, do not require a separate visa for joining part time courses provided that their current visa is valid for the entire duration of the course.

101.3.2- No Objection Certificate: Students are no longer required a No Objection Certificate (NOC) for joining professional courses. (This has been withdrawn by the Government of India vide letter No. F.No.33-17/2002-U.4 dated 20th August 2004.) All International Students wishing to undertake any research work or join a Ph.D. or M. Phil. programme will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must be on the Research Visa endorsed to this University

101.4- ADMISSION OF INTERNATIONAL STUDENTS :

101.4.1- Admission of all the International Students will be done through the University's Office of the International Affairs. The students will generally be admitted in the beginning of the course. However students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases

101.4.2- The admission of international Students is done in two stages. First, a student wishing to join the University gets the application form and the information on the eligibility requirements, courses available and admission procedure from the prospectus or the website of the University. The application for provisional admission is then submitted to the International Student's Cell along with the prescribed fees. The Cell will then check the eligibility and issue the provisional admission letter. This is required to get the visa and to complete other formalities

101.4.3- After getting provisional admission, the student should get the Student Visa and complete all other formalities. The student should then report for final admission to the University where he wants to join the course. The next step is to fill up the admission form from the concerned institute and pay the required fees. After this, the student should undergo the medical examination. Students are required to pass the English proficiency test if applicable. Once this is done, the final admission is given.

101.4.4- The International Students will have to pay the fees in US dollars. In special cases, permission will be given for payment of fees in Indian currency.
